## Features

Características

### Maple & Oak Door Styles

#### Interiors

Maple and Oak cabinets come with standard maple interior and sides (except Fresh White which comes with a white interior).

#### Exteriors

Maple & Oak cabinets come standard with a natural maple laminate end.

Matching finished ends must be specified in laminate or a real wood veneer. Oak not available in real wood veneer.

Edge Banding matches door fronts.

Toe Kick (ATK) must be ordered separately.

### Thermofoil Door Styles

#### Interiors

Thermofoil cabinets come with standard white laminate interior.

#### Exteriors

Thermofoil cabinets come standard with a white laminate end.

Matching finished ends must be specified. All Thermofoil finishes are not available with a real wood veneer option.

Edge Banding matches door fronts.

Toe Kick (ATK) must be ordered separately.
