PRODUCT CHANGE NOTIFICATION - LAMINATE ENDS

TO: PCS Valued Customers

FROM: Marketing

At PCS, we are firmly committed to continual quality improvements and delivering unsurpassed value to our customers. In keeping with this commitment we consistently conduct product audits making changes and improvements where needed. As such, **effective July 1, 2018** we will begin to transition our current matching Thermofoil ends to Laminate, starting with our Wengi finish (73). Additional finishes, Tsuki1 (76W), Tsuki2 (76G) and Satomi (79A) will transition **effective August 1, 2018**. We anticipate a full transition of all Thermofoil finishes over the next several months.
